

They changed the name of it because they thought more dignity would be accorded if they said State Patrol rather than Safety Patrol. So it is clear that the concept behind this law enforcement agency was not to produce a state police force. I think it ought not be changed. If you take Senator Beutler's motion and adopt it, it will obscure the real issue that is before us on this bill. So I am hoping that you will defeat his motion.

PRESIDENT: Is there further discussion on the Beutler amendment to the bill? Any further discussion? Do you want to say anything further, Senator Beutler? You are closing, I assume.

SENATOR BEUTLER: I am fearful, Mr. President, that the absence of the Commonwealth Committee and the opposition of certain members of the Legislature to the bill generally and, therefore, to the amendment is going to lead to a situation where I ultimately need a Call of the House anyway, and if that is the event, then in that case I would like to close when they are all here.

PRESIDENT: You, in effect, are asking for a Call of the House?

SENATOR BEUTLER: Yes.

PRESIDENT: Call of the House has been requested. The question is, shall the House come under Call? All those in favor vote aye, opposed vote no. The Clerk will record.

CLERK: 8 ayes, 0 nays to go under Call, Mr. President.

PRESIDENT: By that vote the House is under Call. All members of the Legislature throughout the building, please report to the Legislative Chamber, the House is under Call. All members within the Chamber, you are properly to be in your seats and please record your presence with the green light on the board. The House is under Call. All members of the Legislature, please report back to the Legislative Chamber. The House is under Call. Senator Chronister, please record your presence. Senator Landis, please.
